NATURAL CHEESE

HONOR TRADITION. RESPECT THE CRAFT. SERVE SERIOUSLY GOOD CHEESE.

Established in New York in 1899, we've taken the last 100 years of hard work to make our low moisture mozz what it is—a premium mozzarella with excellent stretch, color and a beautiful uniform melt. So you can be sure it's a mozz that lives up to your standards and ours.

POLLY-O LOW MOISTURE MOZZARELLA is made with high levels of butterfat and a flavor-enhancing vinegar set—delivering a fresh, rich mozzarella flavor. Its excellent stretch and even, uniform melt delivers superior coverage and reheats beautifully.

All of our low moisture products are all natural and free of artificial colors, flavors and preservatives.
